biblical manuscripts from the dead sea and the cairo genizah have added immeasurably to our knowledge of the textual history of the hebrew bible the papers collected in this volume compare the evidence of the biblical dss with manuscripts from the vienna papyrus collection connected with the cairo genizah as well as late ancient evidence from diverse contexts the resulting picture is one of a dialectic between textual plurality and fixity the eventual dominance of the consonantal masoretic text over the textual plurality of the second temple period and the secondary diversification of that standardized text through scribal activity

the study of the bible in the west from jerome and the fathers to the time of erasmus

having been a teetotaler for more than thirty years the author s personal habits associations and sympathies have all been in favor of the unfermented theory but the facts encountered in the present investigation have constrained him reluctantly to conclude that so far as the wines of the ancients are concerned unfermented wine is a myth preface

in re claiming the bible for a non religious world bishop and social activist john shelby spong argues that 200 years of biblical scholarship has been withheld from lay christians in this brilliant follow up to spong s previous books eternal life and jesus for the non religious spong not only reveals the crucial truths that have long been kept hidden from the public eye but also explores what the history of the bible can teach us about reading its stories today and living our lives for tomorrow sarah sentilles author of breaking up with god a love story applauds john shelby spong s reclaiming the bible for a non religious world writing that pulsing beneath his brilliant thought provoking passionate book is this question can christianity survive the education of its believers a question bishop spong answers with a resounding yes

does the bible justify zionism since the foundation of the israeli state in 1948 torah and tank have become increasingly inseparable resulting in the forced expulsion and subjugation of millions of indigenous palestinians nur masalha s groundbreaking new book traces zionism s evolution from a secular settler movement in the late 19th century to the messianic faith it has become today he shows how the biblical language of chosen people and promised land has been used by many christian and jewish zionists as the title deeds for israel justifying ethnic division and violence with edward said masalha argues that a new politics of peace can only be achieved through a single democratic state which replaces religious zealotry with secular equality
